II. Estimate and plan of the proposed Band-stand in the Municipal Park.

*Resolution.*—The construction of a Band-stand in the Municipal Park be sanctioned, subject to the approval of Government. In the meanwhile the work to be commenced. The expenditure not to exceed Rs. 600. As no provision has been made in the Budget for this work, the sale proceeds of waste lands now held in deposit in the Savings Bank may be utilized, and provision made in next Budget to replace this. The plan of the proposed structure now laid before the Board be referred to the Executive Engineer, Palace Division, for any suggestion he may wish to offer.

III. Report from Mr. Khazi Abid Shariff Sahib, Municipal Commissioner, No. II Division, on the petition of the residents of Obaiya Lane to widen the same.

*Resolution.*—Sanctioned. The work to be carried out next year and provision be accordingly made in the Budget for that year.

IV. Statement showing the amount of compensation to be awarded for buildings and lands required to be taken up for opening a new road way from Avenue road to Ganigarpete.

*Resolution.*—In the above statement the amount of compensation is entered at Rs. 2,788, all of which sum the Board is not now in a position to pay. The work is however sanctioned, and the lands should be gradually acquired commencing with Kristna Shastri's house.

V. Application from Abdulla Sab for opening a Beef butchers' stall in the village of Korachara-palyam beyond the Fort.

*Resolution.*—The application be referred to the Municipal Commissioners, in whose Division the village is situated, for opinion.

*Additional Proposition.*

I. Proposed application to Government for assignment to the Municipality of the fines levied by Magistrates under Act V of 1861 (Police Act) and also for the transfer of local cess on Abkari revenue.

*Resolution.*—Approved. The above application to be forwarded to Government under a covering letter for favorable consideration. The Commissioners at the same time express their recognition of the consideration and liberality already shown them by the Government. The urgent and increasing demands under "Education" and "Charitable Institutions" make it difficult for the Board with its present income to meet these charges; hence the present application.
